

18mos-3y with Adult Helper 9:15a-10:00a Session 2: March 7-April 11 Session 3: May 2-June 6

Please join us at Newton Lower Falls every Wednesday morning as we run, jump, and slide our way into a brand new creative gymnastics program being offered by Dotty Martin and Jennifer McGrath. Dotty and Jenn have over 25 years experience working with young children to develop confidence and create a I can do it myself through a creative and really fun environment. We have lots of great equipment that will be set up different each week with different themes and lessons to keep it all fun, fun, and more fun. Once we can win over your child's confidence, let the gymnastics tricks begin. Watch your children grow and make friendships through a creative learning environment. Please tell all your friends to come too.

For further information please contact Dotty Martin at mmgymbo@aol.com or call Judy Dore at 617-796-1525
